

A program of the National Institutes
of Health and the Centers for
Disease Control and Prevention

Vitamin D and Type 2 Diabetes (D2d) Study

NDEP Questionnaire Administration Instructions

Participants' answers will help the National Diabetes Education Program (NDEP) create better materials for people at risk for diabetes.

- Remind participants that answering the questions is voluntary and their answers will not be shared with anyone other than the research study staff.
- Participants have the right to stop answering these questions at any time.
- There is no penalty or loss of benefits to participants if they do not complete the questions.
- Tell participants it should take about 10 minutes to complete these questions.
- If they don't know the answer, they should leave it blank.
- Remind participants that some questions require one response while others ask them to mark all answers that apply.
- Do not guide the participant in their answers or influence their responses in any way.
- Please return questionnaires by fax to 202-842-4032 or scan it and e-mail to the following address: ndep@hagerssharp.com.
 - Please use the following subject line for all faxed and e-mailed questionnaires: "D2d GAME PLAN Assessment – Completed Questionnaire."
