

EC Minutes from 1.15.15

Meeting called to order- 3:32PM / Adjourned- 4:30PM

Survey Monkey Update – Lower BMI discussion

- The survey's goal was to reassess all subcommittees that all current members were on.
- The survey also included question related to lowering the BMI criterion.

Action: Current BMI criterion will remain the same.

Archive of Stool Samples

- Looking into what total costs will be to archive samples for future studies.
- David- Will provide cost data and estimate of what units cost to store.

Action: Look into funding for storing samples.

D2d Study Meeting

- Potential date: Next fall (possibly 3rd or 4th week in November 2015).
- Locations discussed: Kansas City, Dallas, or hosting with another site.

Action: Send out potential dates to EC first.

Status of Glycemia Pilot

- Current sites that are using this method: Tufts, Nebraska, Maine, and Florida.
- Goal: Only a site's combined visit would utilize their local lab.

Reports Reviewed.
