Digestive and Kidney Diseases
Bethesda, Maryland 20892

March 21, 2018

The D2d DSMB met on March 20, 2018 to review D2d study progress and discuss safety.

No specific concerns regarding study progression, safety data, or adverse events were identified.

The DSMB recommended that the D2d study proceed as designed. End-of-study visits should begin as soon as possible as the target number of events is soon to be reached.

Neal V. Green, MPH
Executive Secretary, D2d DSMB
